SECTION 1. Tennessee Code Annotated, Section 29-16-101, is amended by adding the following language at the end of the section:

"Any property or interest acquired by persons or corporations under the provisions of this section shall be used exclusively for the purposes for which it was acquired."

SECTION 2. Tennessee Code Annotated, Section 29-16-104, is amended by designating the existing language as subsection (a) and by adding the following language as subsection (b):

"Any person or corporation acquiring any property or interest under the provisions of this part who intends to use such property or interest for a purpose other than for which it was acquired, may petition the circuit court of the county in which the land lies, setting forth in substance the purpose for which such land is subsequently intended.
